ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION - APU

Course Schedule UCDF1509ICT	2016							2017																																							
	November			December				January					February				March					April					May					June				July					August					Sept	
	14	21	28	5	12	19	26	2	9	16	23	30	6	13	20	27	6	13	20	27	3	10	17	24	1	8	15	22	29	5	12	19	26	3	10	17	24	31	7	14	21	28	4	11
Database & Data Structure (L)																			B	E	E																									
Database & Data Structure (LAB)																			B																											
Multimedia Application (L)																			B	E	E																									
Multimedia Application (LAB)																			B																											
Multimedia Application (T)																			B																											
Numerical Methods And Logic (L)																			B	E	E																									
Numerical Methods And Logic (T)																			B																											
System Analysis & Design (L)																			B	E	E																									
System Analysis & Design (T)																			B																											
Visual Basic (LAB)																			B																											
Visual Basic Net (L)																			B	E	E																									
Visual Basic Net (T)																			B																											
Exam Docket																																															
Progression Briefing																																															
Digital Security And Forensic (L)																																							B	B	E	E					
Digital Security And Forensic (T)																																							B	B							
Java Programming (L)																																							B	B	E	E					
Java Programming (LAB)																																							B	B							
Java Programming (T)																																							B	B							
Networks & Networking (L)																																							B	B	E	E					
Networks & Networking (T)																																							B	B							
Operating Systems (L)																																							B	B	E	E					
Operating Systems (T)																																							B	B							
Software Development Project (L)																																							B	B	E	E					
Software Development Project (T)																																							B	B							

Report Generation Date- 9/1/2015

*The schedule may be subject to revision

E- Exam , B- Buffer week
