Course Schedule UC2F1611EEE

ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION - APU

2017

December					January				February				March				April				May					June				July					August				September				October					November				December			
28	5	12	19	26	2	9	16	23	30	6	13	20	27	6	13	20	27	3	10	17	24	1	8	15	22	29	5	12	19	26	3	10	17	24	31	7	14	21	28	4	11	18	25	2	9	16	23	30	6	13	20	27	4	11	18	25

Orientation																																																											
Analogue Electronic (L)																			B	E	E																																					
Analogue Electronic (T)																			B																																								
Electromagnetic Field Theory (L)																			B	E	E																																					
Electromagnetic Field Theory (T)																			B																																								
Engineering Mathematics 3 (L)																			B	E	E																																					
Engineering Mathematics 3 (T)																			B																																								
Electrical Machine 1 (L)																			B	E	E																																					
Electrical Machine 1 (T)																			B																																								
Bank Draft																																																											
Exam Briefing																																																											
Exam Docket																																																											
Co-Curriculum																																																											
Digital Electronic (L)																																									B	E	E																	
Digital Electronic (T)																																									B																		
Engineering Software and Application (L)																																									B	E	E																	
Engineering Software and Application (T)																																									B																		
Electrical Machine 2 (L)																																									B	E	E																	
Electrical Machine 2 (T)																																									B																		
Electrical Power Utilization(L)																																									B	E	E																	
Electrical Power Utilization(T)																																									B																		
Signal And Linear Systems (L)																																									B	E	E																	
Signal And Linear Systems (T)																																									B
