

Course Schedule
UCD2F1101E&E - TPM

Asia Pacific Institute of Information Technology - APIIT
Diploma in E&E

	2011												2012											
	January	February	March	April	May	June	July	August	September	October	November	December	January	February	March	April	May	June	July	August				
Orientation																								
Analysis Of Circuits (l) HMN																								
Analysis Of Circuits (t) HMN																								
Communication Engineering Principles (l) TSB																								
Communication Engineering Principles (t) TSB																								
Design Principles (l) YCW																								
Design Principles (t) YCW																								
Problem Solving & Program Design Using C (L) JK																								
Problem Solving & Program Design Using C (L.AB) AMD																								
Problem Solving & Program Design Using C (T) JK																								
Analysis Of Circuits (lab) HMN																								
Communication Engineering Principles (lab) VIK																								
Design Principles (lab) YCW																								
Exam Briefing																								
Exam Docket																								
Analogue Electronics (l) SDK																								
Analogue Electronics (t) SDK																								
Digital Electronics (l) TSB																								
Digital Electronics (t) TSB																								
Electrical Machines And Drives (l) L.EE																								
Electrical Machines And Drives (t) JQL																								
Organisational Behaviour (L) LLC																								
Organisational Behaviour (T) LLC																								
Course Overview Briefing																								
Analogue Electronics (lab) SDK																								
Digital Electronics (lab) TSB																								
Electrical Machines And Drives (lab) JQL																								
Control & Automation (l) SMB																								
Control & Automation (t) SMB																								
Generation Transmission & Protection (l) RAJ																								
Generation Transmission & Protection (t) RAJ																								
Instrumentation & Measurement (l) NTM																								
Instrumentation & Measurement (t) NTM																								
Microprocessor Systems (l) SKSP																								
Microprocessor Systems (t) SKSP																								
Control & Automation (lab) SMB																								
Generation Transmission & Protection (lab) RAJ																								
Instrumentation & Measurement (lab) NTM																								
Microprocessor Systems (lab) SKSP																								
Class Rep Meetings																								

11 - January - 2013
* This schedule may be subject to revision
