Course Schedule UCDF1705ICT(SE)

ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION - APU

2017

Course	May				June				July					August				September				October					November				December			
	8	15	22	29	5	12	19	26	3	10	17	24	31	7	14	21	28	4	11	18	25	2	9	16	23	30	6	13	20	27	4	11	18	25
Orientation																																		
Bahasa Melayu Komunikasi 1 (FS)																		B	B															
English For Academic Purposes (L)																		B	B	E	E													
English For Academic Purposes (T)																		B	B															
Malayisan Studies 2 (LS)																		B	B	E	E													
Managing Business (L)																		B	B	E	E													
Managing Business (T)																		B	B															
Numerical Skills (T)																		B	B															
Numerical Skills (L)																		B	B	E	E													
Practical IT Skills (L)																		B	B	E	E													
Practical IT Skills (Lab)																		B	B															
Exam Docket																																		
Academic Research Skills (L)																																		
Academic Research Skills (T)																																		
Computer Technology (L)																																		
Computer Technology (T)																																		
Numerical Methods And Logic (L)																																		
Numerical Methods And Logic (T)																																		
Professional Communications (L)																																		
Professional Communications (T)																																		
Computer Systems Architecture (L)																																		
Computer Systems Architecture (T)																																		
Database System (L)																																		
Database System (Lab)																																		
Internet Applications (L)																																		
Internet Applications (T)																																		
Visual Basic (L)																																		
Visual Basic (LAB)																																		
Visual Basic (T)																																		

2018

Course	January					February				March				April					May				June				July			
	1	8	15	22	29	5	12	19	26	5	12	19	26	2	9	16	23	30	7	14	21	28	4	11	18	25	2	9	16	23
Orientation																														
Bahasa Melayu Komunikasi 1 (FS)																														
English For Academic Purposes (L)																														
English For Academic Purposes (T)
