Course Schedule
UC1F1609IS - TPM

ASIA PACIFIC UNIVERSITY - APU
BSc (Hons) in Intelligent Systems

	A	September	October	November	December	January	February	March	April	May	June	July	August	September	October	November	December	January	February	March	April
	2016					2017												2018			
	20-9	05-9	12-9	19-9	26-9	03-10	10-10	17-10	24-10	31-10	07-11	14-11	21-11	28-11	05-12	12-12	19-12	26-12	02-1	09-1	16-1
Orientation																					
Computing and IT in the Workplace (T)							R														
Computing and IT in the Workplace (L)							R	E	E												
Ethnic Relations(LS)						R		E	E												
Fundamentals Of Software Develoment (LAB)							R														
Fundamentals Of Software Development (L)							R	E	E												
Introduction To Management (T)							R														
Introduction To Management (L)							R	E	E												
Malaysian Studies 3 (FS)						R															
Mathematical Concept For Computing (t)							R														
Mathematical Concept For Computing(l)							R	E	E												
Operating Systems And Computer Architecture							R														
Operating Systems And Computer Architecture (l)							R	E	E												
Bank Draft																					
Exam Briefing																					
Exam Docket																					
Bahasa Melayu Komunikasi 2(FS)											R										
Introduction To Arificial Intelligence (T)												R									
Introduction To Artificial Intelligence (L)												R	E	E							
Introduction To C Programming (LAB)												R									
Introduction To C Programming (L)												R	E	E							
Introduction To Database (l)												R	E	E							
Introduction To Database (lab)												R									
Introduction To Networking (l)												R	E	E							
Introduction To Networking (Lab)												R									
Introduction To Object Oriented Programming (l)												R	E	E							
Introduction To Object Oriented Programming (lab)												R									
Islamic Civilisation & Asian Civilisation (LS)											R		E	E							
System Analysis & Design (T)												R									
Systems Analysis & Design (L)												R	E	E							
Progression Briefing																					

22 - August - 2016
