Orientation																																																								
Intro to Vizualization (L)																				B	E	E																																		
Intro to Vizualization (L)																				B																																				
Object Oriented Development With Java (L																				B	E	E																																		
Object Oriented Development With Java (LAB)																				B																																				
Object Oriented Development With Java (T)																				B																																				
Mobile & Wireless Technology (L)																				B	E	E																																		
Mobile & Wireless Technology (T)																				B																																				
Professional Enterprise Development (L)																				B	E	E																																		
Professional Enterprise Development (T)																				B																																				
System Development Methods (L)																				B	E	E																																		
System Development Methods (T)																				B																																				
System & Network Administration (L)																				B	E	E																																		
System & Network Administration (T)																				B																																				
Bank Draft																																																								
Exam Briefing																																																								
Exam Docket																																																								
Co-Curriculum																																																								
Creativity & Innovation (T)																																									B	E	E														
Creativity & Innovation (L)																																									B																
Data Centre Infrastructure (L)																																									B	E	E														
Data Centre Infrastructure (T)																																									B																
Virtual Computing (L)																																									B	E	E														
Virtual Computing (T)																																									B																
Intergrated Business Process with Sap Erp Systems (L)																																									B	E	E														
Intergrated Business Process with Sap Erp Systems (LAB)																																									B																
Research Methods For Computing And Technology (L)																																									B	E	E														
Research Methods For Computing And Technology (T)																																									B																
Web Applications (L)																																									B	E	E														
Web Applications (LAB)																																									B																
Progression Briefing																																																								
Internship Programme																																																								

Report Generation Date- 29/11/2016

***The schedule may be subject to revision**

E-Exam, B-Buffer Week
