Course Schedule UC2F1611ME

ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION - APU

2017

	December				January					February				March				April				May					June				July					August				September				October					November				December			
	28	5	12	19	26	2	9	16	23	30	6	13	20	27	6	13	20	27	3	10	17	24	1	8	15	22	29	5	12	19	26	3	10	17	24	31	7	14	21	28	4	11	18	25	2	9	16	23	30	6	13	20	27	4	11	18	25
Orientation																																																											
Analogue Electronic (L)																				B	E	E																																				
Analogue Electronic (T)																				B																																						
Electromagnetic Field Theory (L)																				B	E	E																																				
Electromagnetic Field Theory (T)																				B																																						
Engineering Mathematics 3 (L)																				B	E	E																																				
Engineering Mathematics 3 (T)																				B																																						
Introduction to Electrical System (L)																				B	E	E																																				
Introduction to Electrical System (T)																				B																																						
Strength of Material (L)																				B	E	E																																				
Strength of Material (T)																				B																																						
Bank Draft																																																											
Exam Briefing																																																											
Exam Docket																																																											
Co-Curriculum																																																											
Digital Electronic (L)																																									B	E	E																	
Digital Electronic (T)																																									B																	
Engineering Software and Application (L)																																									B	E	E																	
Engineering Software and Application (T)																																									B																	
Intermediate Robotics (L)																																									B	E	E																	
Intermediate Robotics (T)																																									B																	
Intermediate Robotics (LAB)																																									B																	
Sensor and Actuator (L)																																									B	E	E
