Course Schedule UC2F1611ENTC

ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION - APU

BSc. (Hons) in Enterprise Computing

2017

	December				January					February				March				April				May					June				July					August				September				October					November				December			
	28	5	12	19	26	2	9	16	23	30	6	13	20	27	6	13	20	27	3	10	17	24	1	8	15	22	29	5	12	19	26	3	10	17	24	31	7	14	21	28	4	11	18	25	2	9	16	23	30	6	13	20	27	4	11	18	25
Orientation																																																										
Enterprise Systems (L)																				B	E	E																																				
Enterprise Systems (T)																				B																																						
Probability & Statistical Modelling (L)																				B	E	E																																				
Probability & Statistical Modelling (L)																				B																																						
Object Oriented Development with Java (L)																				B	E	E																																				
Object Oriented Development with Java (LAB)																				B																																						
Object Oriented Development with Java (T)																				B																																						
Professional Enterprise Development (L)																				B	E	E																																				
Professional Enterprise Development (T)																				B																																						
System Development Methods(L)																				B	E	E																																				
System Development Methods(T)																				B																																						
Bank Draft																																																										
Exam Briefing																																																										
Exam Docket																																																										
Co-Curriculum																																																										
Intergrated Business Processes with Sap Erp System (L)																																									B	E	E																
Intergrated Business Processes with Sap Erp System (LAB)																																									B																		
Web Application (L)																																									B	E	E																
Web Application (LAB)																																									B																		
Programming Concept in C++ (L)																																									B	E	E																
Programming Concept in C++ (T)																																									B																		
Programming Concept in C++ (LAB)																																									B																		
Research Methods for Computing and Technology (L)																																									B	E	E																
Research Methods for Computing and Technology (T)																																									B																		
Progression Briefing																																																										
Internship Programme																																																										

Report Generation Date- 29/11/2016

***The schedule may be subject to revision**

E-Exam, B-Buffer Week
