Course Schedule UC2F1611IT

ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION - APU

BSc. (Hons.) in Information Technology

2017

	December				January					February				March				April				May					June				July					August				September				October					November				December			
	28	5	12	19	26	2	9	16	23	30	6	13	20	27	6	13	20	27	3	10	17	24	1	8	15	22	29	5	12	19	26	3	10	17	24	31	7	14	21	28	4	11	18	25	2	9	16	23	30	6	13	20	27	4	11	18	25
Orientation																																																											
Enterprise Systems(L)																				B	E	E																																				
Enterprise Systems(T)																				B																																							
Mobile & Wireless Technology (L)																				B	E	E																																				
Mobile & Wireless Technology (T)																				B																																							
Object Oriented Development With Java (L)																				B	E	E																																				
Object Oriented Development With Java (LAB)																				B																																							
Object Oriented Development With Java (T)																				B																																							
Probability & Statistical Modeling (L)																				B	E	E																																				
Probability & Statistical Modeling (T)																				B																																							
Professional Enterprise Development (L)																				B	E	E																																				
Professional Enterprise Development (T)																				B																																							
System & Network Administration(L)																				B	E	E																																				
System & Network Administration(T)																				B																																							
System Development Methods (L)																				B	E	E																																				
System Development Methods (T)																				B																																							
System Programming And Computer Control (L)																				B	E	E																																				
System Programming And Computer Control (LAB)																				B																																							
System Programming And Computer Control (T)																				B																																							
Bank Draft																																																											
Exam Briefing																																																											
Exam Docket																																																											
Co-Curriculum																																																											

Creativity & Innovation (T)	B	E	E
Creativity & Innovation (L)	B		
Data Centre Infrastructure (L)	B	E	E
MTE			
Data Centre Infrastructure (T)	B		
MTE			
Human Computer Interaction (T)	B	E	E
Human Computer Interaction (L)	B		
Programming Concepts In C++ (T)	B	E	E
Programming Concepts In C++ (L)	B		
Research Methods For Computing And Technology (L	B	E	E
Research Methods For Computing And Technology (T	B		
Web Applications (L)	B	E	E
Web Applications (LAB)	B		
Intergrated Business Process with Sap Erp Systems (L	B	E	E
Intergrated Business Process with Sap Erp Systems (LAB	B		
Progression Briefing			
Internship Programme			
Report Generation Date- 29/11/2016			
*The schedule may be subject to revision			
E-Exam, B-Buffer Week
