

Course Schedule UCDF1605ICT(SE)	ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION - APU																																															
	2017												2018																																			
	August			September			October			November			December			January			February			March			April			May																				
	7	14	21	28	4	11	18	25	2	9	16	23	30	6	13	20	27	4	11	18	25	1	8	15	22	29	5	12	19	26	5	12	19	26	2	9	16	23	30	7	14	21						
Introduction To Software Engineering (L)																					B	B	E	E																								
Introduction To Software Engineering (T)																	B	B																														
Numerical Methods (L)																					B	B	E	E																								
Numerical Methods (T)																	B	B																														
Operating Systems (L)																					B	B	E	E																								
Operating Systems (Lab)																	B	B																														
System Analysis & Design (L)																					B	B	E	E																								
System Analysis & Design (T)																	B	B																														
Web Development (L)																					B	B	E	E																								
Web Development (Lab)																	B	B																														
Exam Docket																																																
Progression Briefing																																																
Digital Security And Forensic (L)																																																
Digital Security And Forensic (T)																																																
Introduction To Artificial Intelligent (L)																																																
Introduction To Artificial Intelligent (T)																																																
Java Programming (L)																																																
Java Programming (LAB)																																																
Java Programming (T)																																																
Networks & Networking (L)																																																
Networks & Networking (LAB)																																																
Software Development Project (L)																																																
Software Development Project (T)																																																
Report Generation Date- 4/29/2016																																																
*The schedule may be subject to revision
