Course Schedule | **Asia Pacific University of Technology & Innovation - APU**

UC3F1701EE - TPM | **B.Eng (Hons) in Electrical and Electronic Engineering**

	2016	2017																																																						
	Dec	January				February				March				April				May					June				July					August				September				October					November				December				January				
	26	2	9	16	23	6	13	20	27	6	13	20	27	3	10	17	24	1	8	15	22	29	5	12	19	26	3	10	17	24	31	7	14	21	28	4	11	18	25	2	9	16	23	30	6	13	20	27	4	11	18	25	1	8	15	22	29
Orientation																																																									
Communication Engineering Principles (LAB)																				B																																					
Communication Engineering Principles (L)																				B	E	E																																			
Computer Architecture (T)																				B																																					
Computer Architecture (L)																				B	E	E																																			
Computer Architecture (LAB)																				B																																					
Control Engineering (L)																				B	E	E																																			
Control Engineering (LAB)																				B																																					
Generation Transmission And Distribution Of Electrical Power (L)																				B	E	E																																			
Generation Transmission And Distribution Of Electrical Power (T)																				B																																						
Multimedia Applications (L)																				B	E	E																																			
Multimedia Applications (lab)																				B																																					
Exam Docket																																																									
Digital Signal Processing (L)																																										B	E	E													
Digital Signal Processing (T)																																										B															
Microprocessor Systems And Embedded Software (L)																																										B	E	E													
Microprocessor Systems And Embedded Software (T)																																										B															
Numerical Methods & Statistics (L)																																										B	E	E													
Numerical Methods & Statistics (T)																																										B															
Numerical Methods (L)																																										B	E	E													
Numerical Methods (T)																																										B															
Optical Communication And Networks (L)																																										B	E	E													
Optical Communication And Networks (T)																																										B															
Power Electronics & Drives (L)																																										B	E	E													
Power Electronics & Drives (T)																																										B															
Power System Analysis (L)																																										B	E	E													
Power System Analysis (T)																																										B															
Progression Briefing																																																									
Internship Programme																																																									

Report Generation Date- 12/22/2016
***The schedule may be subject to revision**
Legend:
R - Revision Week
E - Exam
