Orientation																																																										
Bank Draft																																																										
Advanced Mobile Computing With Android (L)																				B	E	E																																				
Advanced Mobile Computing With Android (Lab)																				B																																						
Cloud Infrastructure And Services(L)																				B	E	E																																				
Cloud Infrastructure And Services(T)																				B																																						
Computer System Management (L)																				B	E	E																																				
Computer System Management (T)																				B																																						
Developing E Commerce Applications with XML (L)																				B	E	E																																				
Developing E Commerce Applications with XML (T)																				B																																						
Internet Payment System (L)																				B	E	E																																				
Internet Payment System (T)																				B																																						
Investigations Information Technology (L)																				B																																						
Project Management (T)																				B																																						
Project Management (L)																				B	E	E																																				
Exam Docket																																																										
Designing & Developing Applications On Cloud (T)																																							B																			
Designing & Developing Applications On Cloud(L)																																							B	E	E																	
Emergent Technology (L)																																							B	E	E																	
Emergent Technology (T)																																							B																			
Hci & Usability (T)																																							B																			

Hci And Usability (L)																																							B	E	E																	
Innovation Management & New Product Development (L)																																							B	E	E																	
Innovation Management And New Product Development (T)																																							B																			
Project.																																																									
Ubiquitous Computing (L)																																							B	E	E																	
Ubiquitous Computing (T)																																							B																			
Progression Briefing																																																									
End Of Level Briefing																																																									
Report Generation Date- 12/22/2016																																																									
***The schedule may be subject to revision**																																																									
Legend:																																																									
R - Revision Week																																																									
E - Exam
