Orientation																																																														
AI Methods (L)																																																														
AI Methods (LAB)																																																														
Computing Theory (L)																																																														
Computing Theory (LAB)																																																														
Intro To Vizualization (L)																																																														
Intro To Vizualization (LAB)																																																														
Mobile & Wireless Technology (L)																																																														
Mobile & Wireless Technology (T)																																																														
Object Oriented Development with Java (L)																																																														
Object Oriented Development with Java (LAB)																																																														
Object Oriented Development with Java (T)																																																														
Principles of Creative Animation (L)																																																														
Principles of Creative Animation (LAB)																																																														
Professional Enterprise Development (L)																																																														
Professional Enterprise Development (T)																																																														
System & Network Administration (L)																																																														
System & Network Administration (T)																																																														
System Development Methods(L)																																																														
System Development Methods(T)																																																														
System Programming and Computer Control (L)
